

Invitation to an information meeting

WELCOME TO SCHAFFHAUSEN

As someone living in this area, you would maybe like to get to know it better. We are delighted to assist you in settling in Switzerland and in getting to know the region of Schaffhausen.

Integres is the information and advice centre for integration issues. We offer information on German language and integration courses as well as details of specialist advice centres. Integres can help you with everyday issues or in choosing the right course for you. Successful integration is an important prerequisite for active participation and good social interaction in our society.

We are delighted to invite you to a **free information meeting** and will be happy to organise an interpreter for the meeting if you need one.

Interested? Please complete this card and return it to us. We will contact you to arrange a meeting as soon as possible.
