

Integration offers in the canton of Schaffhausen

You are living and working in our region, and you wish to find your way around. We would be happy to help you for your integration in our country and our region.

The better you will know the region and our language, the easier it will be to find your way around. In the canton of Schaffhausen we have a large offer of German and integration courses. We hope that you will make use this offer. A successful integration is an important condition for a good living together in our society.

You can get information and advice concerning our integration offers. Integres is a service offering information and advice for all questions relating to integration, it will assist you in your integration efforts. On our website (www.integres.ch) you will find all information concerning German and integration courses or concerning special assistance services. We would also be glad to give you individual advice.
